BREAKS 100 CLAY BIRDS IN A ROW

Violet Scores Three Runs in WASHINGTON, April 10.—McNamara of New Haven, Comm. April 10. Martin McVoy Sets Record at Travers Island Traps of N. Y. A. C.

> Shattering all records for Saturday shoots of the New York Athletic Club gunners, Martin McVoy made a perfect score of 100 clay birds in yesterday's competition at the Travers Island traps. About three years ago Stuart Wing did exactly the same thing in one of the Sunday shoots of the N. Y. A. C., but this is the first time in history that the gunners have watched one of their number grind to powder every one of the bluerocks sprung for him from the traps on Saturday. For his magnificent performance Mr. McVoy was awarded the scratch trophy, while he also earned the leg on the Buermeyer cup with his

last straight fifty clays.

The handicap prize went to H. Graves, r., after a shoot-off, while the "ghost" contest was won by Conrad Stein. In a distance special A. E. Ranney won first prize and R. B. Sloan second. All with scores of 25 were given a leg on the Haslin, Club and Monthly trophies, but the Travers Island, which is a take home affair, was won by N. Webb. The
